ENRICHMENT GROUP

From Success To Significance

WWW.MASTEREIGN.COM

VISION & MISSION

To be Asia Pacific's best and most admired holistic enrichment group.

To thrive as a leading holistic tribe with a heart to serve and a passion to make positive impact in Singapore and the region. The journey is from success to significance.

OUR CULTURE

As a united tribe, we have a continuous growing organizational structure that does not stifle but instead encourage each individual to be innovative and enterprising. That means we have the courage to take creative risks, embrace change and push the envelope to profit others.

We believe in creating value for our customers, bringing benefits to our associates and being the source of tremendous blessing at large.

Our leaders know where they are going and we follow and commit ourselves to the vision. We let tribal customs thrive by mutually respecting and recognizing one another's contributions and talents.

The journey ahead is not without obstacles but in the midst of it all, we remember to celebrate life and cheer everyone to finish strong in the race.

OUR CUSTOMERS

Since 1997, we have served more than a quarter of a million youths and adults in over 300 government schools and educational institutions. Many are customers who have stayed with us for years and on that note, we are grateful and humbled.

Our tribal values which are spelt out in the 4Rs have effectively served as practical guideposts for us to grow and thrive.

RESPONSIBILITY - We can be trusted to do what we have promised. We do what is right with integrity and sincerity.

RELATIONSHIP - We care for the quality of life of each person. We inspire compassion, optimism and fun wherever we are.

RESULTS - We encourage ownership and work practices that lead to a strong finish. We plan wisely, monitor closely and overcome problems through creative solutions. We want only excellent and remarkable outcomes.

REWARDS - We practise sound stewardship principles. We are a generous tribe and we reward the best in the land. We are transparent and fair in our dealings and these are what make this tribe attractive and authentic.

OUR PROGRAMME CONSULTANT

Edmund Soh

Edmund began his first career with the Singapore Police Force in 1997. He received numerous awards and commendations for leadership, devotion to duty and maintaining a high standard of performance during the years of his service.

In 2006, he graduated with a Bachelor of Science in Education and has since taught in mainstream schools and a vocational institute. He is a trained Education Officer and certified coach.

Edmund has been involved in youth work, mentoring and infusing life skills with outdoor education. His areas of involvement include schools, voluntary organisations and government bodies.

In 2010, he became an Education Consultant for Mastereign Enrichment Group. His past experiences enable him to design and coordinate programmes that will greatly benefit the youths.

In 2012, Edmund assumed the role of a Programme Manager for Mastereign Champions and is dedicated to develop time out programmes, character development programmes and provide mentoring for youth at large. His mentoring approaches include helping individuals to overcome challenges through experiential learning and social emotional learning. He believes in empowering youths to be strengths finder and to become purpose driven individuals.

He also strongly believes that being passionate and compassionate are the two most important attributes when working with youths.

Edmund is currently pursuing a Specialist Diploma in Youth Counselling and Management.

Champions' Breakthrough Camp

The Camp will comprise of a series of Champions' workshops and life skills training over a period of 3 to 5 days. Our trained youth workers will mentor and motivate the participants to enhance their self-worth, self-respect and confidence, skill attainment and positive socialization

MCH 001 **Mastereign Magic**

Magic isn't just a great tool to entertain. Believe it or not, it also has therapeutic purposes. With the aid of magic, participants can learn to boost their confidence, approach various situations better, improve public speaking abilities, break the ice in social situations, grow creatively, think spontaneously, and improve psycho-motor responses and many more! Magic is also perfect for mental conditioning, be it Anger Management, Co-operation, and effective communication. It helps the participants to attain better leadership skills to organize thoughts, instruct clearly and deliver the effect. In fact, for those with some difficulties in processing basic information, learning magic allows one to practice thought segregation and provides cognitive and perceptual challenges as well.

MCH 002 **Commanderz's Game**

Commanderz's Game is played using Nerf guns and darts. It focuses on decision making and character building. Participants will go through a variety of game scenarios such as 'Urban Assault' or 'Protect the V.I.P' to develop leadership, team work, communication skills and learning to overcome obstacles.

MCH 003 **Sports Alive** *(Fusion with Multi Sports)*

Participants will build self-efficacy through sports modules like Archery, Dodge ball and Tchoukball.

MCH 004 **The Power of Drama** *(Fusion with Drama)*

Through the powerful process and language of Drama, participants will develop self-esteem, awareness, problem solving skills, creativity and emotional management to deal effectively with the demands and challenges of everyday life.

MCH 005 **Teambuilding Ad-Venture** *(Fusion with Adventures)*

We infuse outdoor education to help participants achieve self-confidence and trust among peers. Underlying the programme will be P.R.I.D.E - P - Perseverance, R- Respect and Responsibility, I - Integrity, D-Discipline and E - Empathy.

- DISC profiling: Dominance, Influence, Steadiness and Compliance
